## LEGEND

### DATA WITH HIGH LEVEL OF CONFIDENCE

Black text: Primary, verified Valledolmo source (birth, Marriage or death records

Blue text: US census records or known, verified relative from living US citizen

Gray marriage box: Verified from Valledolmo records or known, US relative.

### UNVERIFIED OR INFERRED DATA

Red text: Unverified person, or place on family tree, but obtained from posted genealogical sites such as Ancestry.com.

Yellow marriage box: Caccamise member verified as an existing person, but family relationship (generally to an older ancestor) is inferred by the same name and similar birth date (best-fit method).

### Reference Date Band

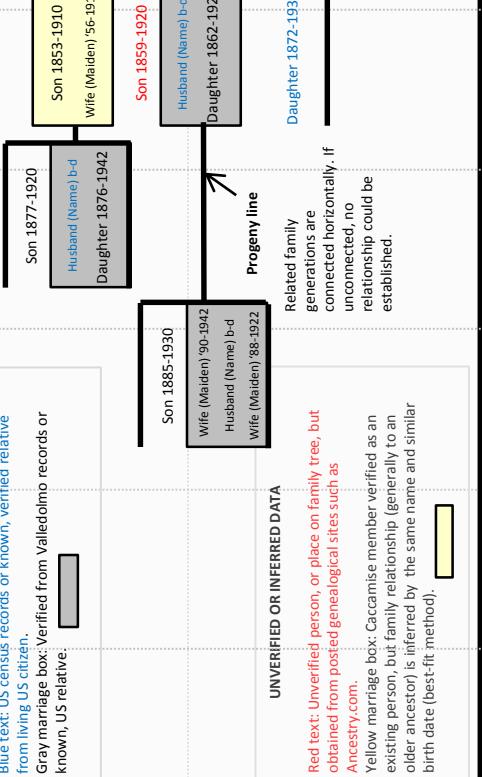

Data contained in a red border represents NYS or US census immigration data and address of generational family units (generally from NYS, Township of LeRoy data).

### Family unit bracketed

Connected to parents (boxed if sibling is verified as married). If no shaded box is shown, marriage status is unknown, or child died early. Siblings listed sequentially.

Assume last name is Caccamise if no last name is listed (Caccamisi if born in Valledolmo). Caccamise shown in this size font; non-Caccamise in this size font.

## 1A

## 1B

Data contained in a red border represents NYS or US census immigration data and address of generational family units (generally from NYS, Township of LeRoy data).

### Family unit bracketed

Connected to parents (boxed if sibling is verified as married). If no shaded box is shown, marriage status is unknown, or child died early. Siblings listed sequentially.

Assume last name is Caccamise if no last name is listed (Caccamisi if born in Valledolmo). Caccamise shown in this size font; non-Caccamise in this size font.

## 1C

Connected to parents (boxed if sibling is verified as married). If no shaded box is shown, marriage status is unknown, or child died early. Siblings listed sequentially.

Assume last name is Caccamise if no last name is listed (Caccamisi if born in Valledolmo). Caccamise shown in this size font; non-Caccamise in this size font.

## 1D

Connected to parents (boxed if sibling is verified as married). If no shaded box is shown, marriage status is unknown, or child died early. Siblings listed sequentially.

Assume last name is Caccamise if no last name is listed (Caccamisi if born in Valledolmo). Caccamise shown in this size font; non-Caccamise in this size font.

## 1E

Connected to parents (boxed if sibling is verified as married). If no shaded box is shown, marriage status is unknown, or child died early. Siblings listed sequentially.

Assume last name is Caccamise if no last name is listed (Caccamisi if born in Valledolmo). Caccamise shown in this size font; non-Caccamise in this size font.

See note on last page (→) about Mary Rich Caccamise.

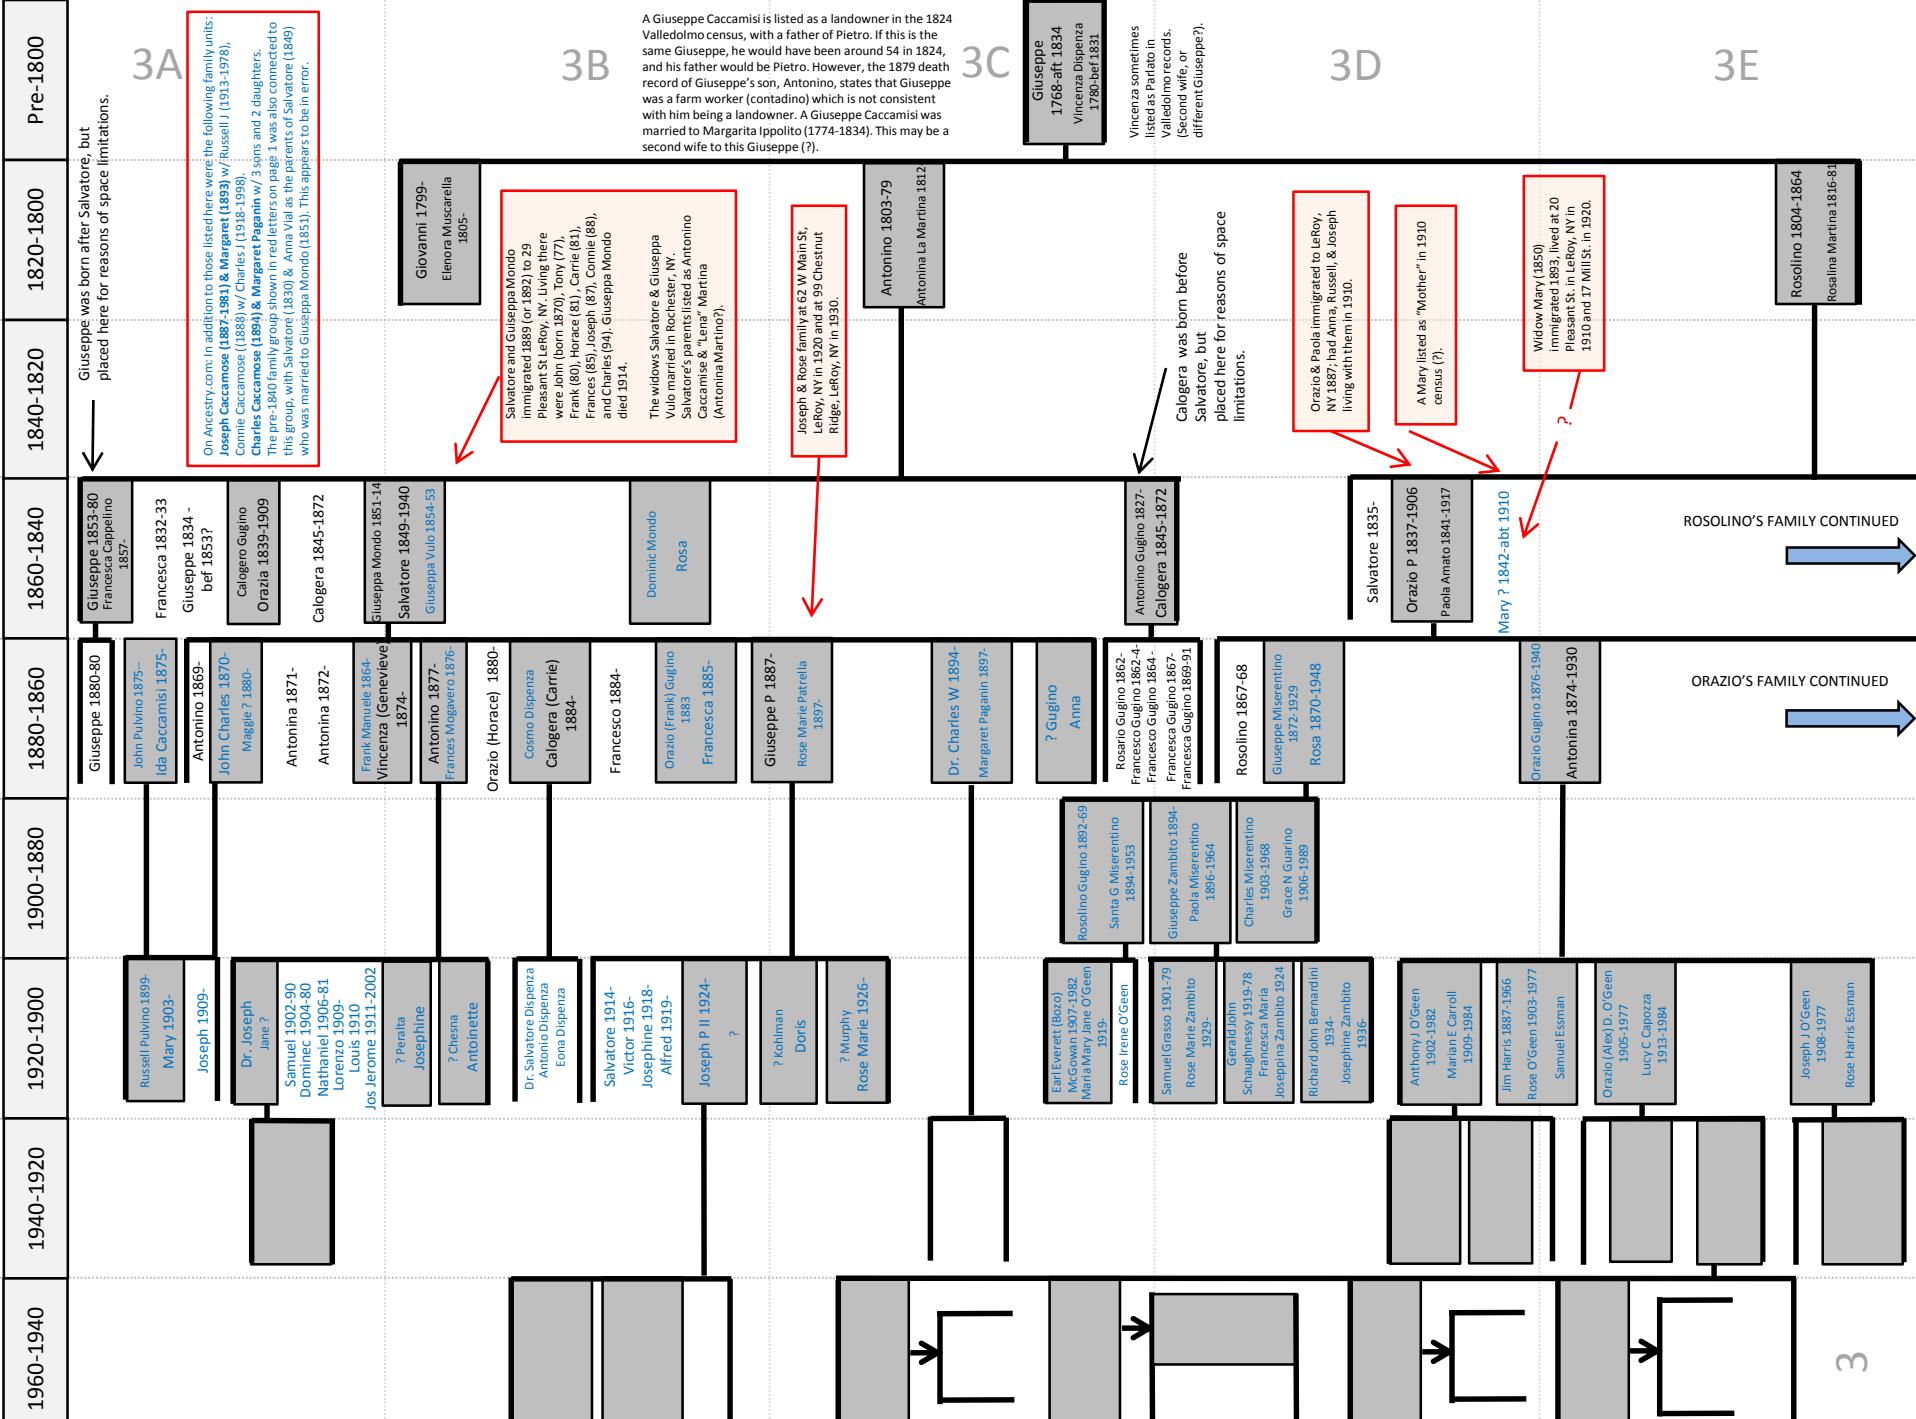

Early Caccamisi that have not been connected to any further family groups.

Relationships to Caccamisi born in late 1700s to very early 1800s have not been established (siblings or cousins?)

Individuals born after approx. 1920 have been deleted for personal identity reasons.
